Chair of College Affairs

Action taken by College President:  Approved  Denied  Tabled

11/29/18  
Date   
College President

## Form 1: Presentation Checklist

Learning Communities Committee

Name: Betsy Julian

Date: 05/29/2018

Department: Instruction

COCC Contact Information: bjulian@cocc.edu

The Learning Communities Committee is a sub-committee of Academic Affairs and has been inactive for several years. The proposal is to officially disband the committee. Some of the members of the current committee are discussing the possibility of creating a task force to investigate alternative approaches to communities of learning but the charge will not be identical to the committee which is being disbanded.
