

The Alex Kollar Memorial Scholarship

"Every day we have a chance to do something different, to meet someone new, to lend a helping hand, to learn something new and unlearn something else. Everyone in this world deserves love."

Alex Vincent Kollar (1993 – 2021)

The Alex Kollar Memorial Scholarship was created to inspire COCC students to pursue sustainability education and community service with the same joy, hope, and impassioned determination with which Alex approached his life. The scholarship includes a \$1000 cash award plus tuition costs for a one-credit sustainability practicum involving thirty hours of community service learning. Applications are due by 12:00pm on June 1st.

The scholarship will be awarded to the student with the strongest application, vision, and... stoke for planet and people! Alex wouldn't have it any other way. Applicants should show:

- A fervent love for nature and a desire to protect it.
- A commitment to engage in meaningful community service.
- A yearning for learning, especially about sustainability.
- A limitless potential mindset.
- A passion for life — GO BIG!
