- Tips!

Feb 14th, 2019

We are excited to partner with other Central Oregon institutions in the Strategic Energy Management (SEM) program through the Energy Trust of Oregon. We hope to see TONS of energy savings on our campuses in the coming months and years, while reducing our carbon footprint. We will also receive CASH incentives for benchmarks reached through the program. Updates on our SEM projects and progress will be on our webpage soon!

Around our Campuses

DID YOU KNOW?

Cascade Culinary Institute

The Jungers Culinary Center is a Gold Certified EarthAdvantage. Radiant slabs, large roof overhangs, and structurally insulated roof panels (SIPS) are utilized to enhance the thermal performance of the structure.

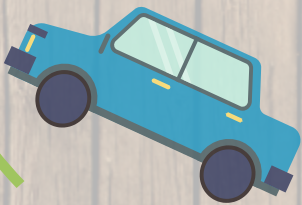

TIP: Visit on Fridays for the "Bakery Kiosk" - YUM!

TIP!

"Save your car's engine AND contribute to cleaner air on our campuses!"

Engineers now estimate that it is more fuel efficient to turn a car off and on then to leave it running as long as the car will be off for more than 10 seconds. Plus, just "EEEEWWWW", it's gross!
