

**Central Oregon Community College  
to  
Oregon Institute of Technology  
Bachelor of Applied Science in Technology and Management**

**Articulation Agreement  
2023 - 2024 Catalog**

It is agreed that students transferring with an Associate of Applied Science (AAS) or Associate of Science (AS) from Central Oregon Community College (COCC) to Oregon Institute of Technology's (Oregon Tech) Bachelor of Applied Science in Technology and Management (BTM) will be given full credit for up to 60 credits of Career Technical Electives and additional listed courses as completed. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both COCC and Oregon Tech, and is subject to a reevaluation every year by both schools for continuance. This agreement is dated August 18, 2023.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending COCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

The following degree programs are approved for this articulation:

1. Students can transfer up to six (6) credit hours of Humanities electives into the BTM; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following COCC prefixes: ART, ENG, HUM, MUP, MUS, PHL, TA, or Languages (second year/200-level only).
2. The BTM requires a one (1) biological or physical science course with lab. Choose from the following COCC prefixes: BI, CH, G, or PH.
3. Students can transfer up to four (4) credit hours of Math/Science electives into the BTM; these courses should be designated as Math/Science electives by Oregon Tech. Choose from the following COCC prefixes: BI, CH, G, GS, MTH, or PH.
4. To maximize useable credits toward the BTM, the listed course is recommended for the chosen AAS or AS program.
5. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward the BTM.
6. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
7. Oregon Tech's BTM requires 180-181 credits.
