

Welcome to our NEW Online Registration System for COCC's Community Learning, Professional Development and Small Business Development Center courses/programs. To register online, go to enrole.com/cocc/ and follow Steps 1-4:

STEP 1

Sign In or Create a Profile

All new users, including past customers in our former system, need to create a customer profile using the "Sign In" button. We highly recommend using your email address as your username.

STEP 2

Search for a Course

After you "Sign In," view the list of topic areas on the left-hand side of the page to narrow down your search or enter the course name or key word in the "Search Catalog" box.

STEP 3

Add Your Course(s) to the Cart

Once you have located your course, choose the available date/session that best fits your schedule and "Add to Cart." You can add multiple courses to your cart as well as other attendees.

STEP 4

Complete your transaction by clicking on the "Checkout" button and paying by credit card (Visa, MasterCard, or Discover). You will receive an email confirmation once you have completed the process.
