Instructions for (new) COCC Remote Desktop connection:

1) At the login screen (see below)

		💀 RD Web Access
Remote Deskt	op Services Default Connection	
Kemolexpp and besktop Ct	nnecium	Help
	Domain\user name: ad\user name Password:	
	Security (<u>show explanation</u>) This is a public or shared computer	
	This is a private computer Warning: By selecting this option, you confirm that this computer complies with your organization's security policy.	
	Sign in	
	To protect against unauthorized access, your RD Web Access session will automatically time out after a period of inactivity. If your session ends, refresh your browser and sign in again.	
The days for a second sec		Microsoft

- 2) Click on "This is a private computer" in the middle of the screen
- 3) Type this info in the Domain\user name field: ad\your user name (typically your first initial and last name, for example, ksmith)
- 4) Type in the Password (this is the same password you use to log into your COCC machine when you are on campus
- 5) Click "Sign In"
- 6) You will then get to the next screen Click on the icon that says "Remote Desktop".
