## **Changing the name of the Director of Legislative Affairs position:**

Due to the adjustment of hours and the number of months required for the Director of Legislative Affairs position, The name would be changed to Coordinator of Legislative Affairs position rather than Director. The position has also become an appointed position rather than an elected one. Other ASCOCC positions that are appointed are titles with Coordinator.

## **Looking to change ASCOCC positions from elected to appointed:**

Should we change our positions to be appointed and some elected or vice versa? Alicia Moore told Lindsay that some colleges are moving from elected positions to appointed ones. When we conversed it was decided that we would keep the president as an elected (no motion to vote) and we believe it is in the student's best interest to keep the position elected so that the students get a choice in their president. As for the student affairs position it was decided to change to an appointed position
