GILMAN SCHOLARSHIP

APPLICATIONS OPEN!!

Applications for the Gilman Scholarship for Spring 22 are now open. For our program the deadline for applications is October 21, 2021. This scholarship is from the US Department of State so you won't be surprised that it is sometimes confusing figuring out how to actually complete the application process. To help I have organized the pages I found helpful below. Start by reading about the [Gilman Scholarship](https://www.gilmanscholarship.org/) (https://www.gilmanscholarship.org/). Then look at the [overview of the application process](#).

..STEPS TO TAKE...

Essays: You have three essays to write for this scholarship. Here is some [guidance for those essays](#).

Transcript: You will need an unofficial (or official) transcript for your application. You can create a pdf of your unofficial transcript from your Bobcat account. Let us know if you need help.

Set up Application Account: The Gilman Scholarship has an online application process. Start by [setting up your account](#) which is pretty quick. This allows you to work on your application materials until you are ready to submit.

PLACES IN BARCELONA

Turó de la Rovira:

For strategic reasons many of the locations with great views are also occupied by remnants from past conflicts. The [Turó de la Rovira](#) is a bunker from the Spanish Civil War which has spectacular 360° views of Barcelona. Sometimes called the Carmel Bunkers it is a place to escape the busy city center and get above it all.

TODOS Scholarships:

Barcelona SAE offers a number of need based scholarships that you might qualify for. Take a look at <https://blog.barcelonasae.com/todos-scholarships/> to see what's available.
